

DeepTech Registration

Pearl AI Labs, in partnership with **Lwera Electronics & Semi-conductors** and the **National ICT Innovation Hub**, is excited to open registration for our DeepTech Training Program. This is a hands-on training in **3 modules**:

- **Artificial Intelligence & Coding**
- **Robotics**
- **Aerospace CAD**

The training is open to students in **2 cohorts**: **Cohort 1** (ages 9 – 13) and **Cohort 2** (ages 13 – 19). Fee: **UGX 500,000 per module**. Students enrolling in more than one module receive a discounted rate of **UGX 450,000 per module**. 30 spots available per cohort. Secure your child's spot by completing the form below.

Dates:	24th August – 4th September 2026
Schedule:	Monday – Saturday, 9:00 AM – 12:00 PM (Midday)
Duration:	2 Weeks
Venue:	National ICT Innovation Hub, Nakawa
Modules:	AI & Coding Robotics Aerospace CAD
Fee:	UGX 500,000/module (UGX 450,000/module for 2+ modules)
Cohort 1:	Ages 9 – 13
Cohort 2:	Ages 13 – 19

Fields marked with * are required.

Section 1: Parent / Guardian Information

Please provide the details of the parent or guardian registering the student.

1. Parent/Guardian Full Name *

Short answer

2. Relationship to Student *

Short answer (e.g. Mother, Father, Guardian)

3. Profession *

Short answer

4. Primary Phone Number *

Short answer

5. Alternative Phone Number

Short answer (optional)

6. Email Address *

Short answer

7. Home Address *

Short answer

Section 2: Student Information

Please provide details about the student being registered.

8. Student Full Name *

Short answer

9. Age *

Short answer (e.g. 10, 14)

10. Gender *

Multiple choice

- ☐ Male
- ☐ Female

11. School Name *

Short answer

12. Class / Grade *

Short answer

13. Which cohort does the student fall under? *

Multiple choice

- ☐ Cohort 1: Ages 9 – 13
- ☐ Cohort 2: Ages 13 – 19

14. Does the student have a laptop? *

Multiple choice — For students without laptops, computers will be provided during the training.

- ☐ Yes
- ☐ No (Pearl AI Labs will provide a computer)

Section 3: Program Selection

Select the module(s) you would like the student to enrol in. Fee: UGX 500,000 per module. If enrolling in more than one module, the fee is discounted to UGX 450,000 per module.

15. Which module(s) would you like the student to join? *

Checkboxes — select all that apply

- ☐ Artificial Intelligence & Coding
- ☐ Robotics
- ☐ Aerospace CAD

16. How did you hear about Pearl AI Labs? *

Multiple choice

- ☐ Social Media
- ☐ Friend / Family Referral
- ☐ School
- ☐ Flyer / Poster
- ☐ Other: ____

Section 4: Drop-off & Pick-up Service

We offer drop-off and pick-up services for students attending the training. Let us know if you would like to use this service.

17. Would you like to use our drop-off and pick-up service? *

Multiple choice

- ☐ Yes
- ☐ No

18. If yes, please share your child's pick-up location

Short answer — only shown / answered if "Yes" is selected above. In Google Forms, set this as a conditional "Go to section based on answer".

Section 5: Medical Information

19. Does your child have any allergies, medical conditions, or special needs we should be aware of?

Paragraph

20. Any additional information you'd like us to know?

Paragraph (optional)

Section 6: Consent & Confirmation

21. I confirm the information provided above is accurate and I agree to enrol my child in the Pearl AI Labs DeepTech Training Program. *

Checkbox: "I agree"

- ☐ I agree

22. I consent to my child being photographed / recorded during the program for promotional use by Pearl AI Labs / Lwera Electronics & Semi-conductors. *

Multiple choice

■ Yes

■ No

23. Parent/Guardian Signature (Full Name) *

Short answer

Payment of UGX 500,000 per module confirms your child's spot. Students enrolling in 2 or more modules pay the discounted rate of UGX 450,000 per module.

Setup notes for building this in Google Forms

- Use **Sections** to break the form into the 6 groups above (Add section button).
- For Q17/Q18, use **"Go to section based on answer"** under the 3-dot menu on Q17: if "Yes" → go to the section containing Q18; if "No" → skip straight to Section 5 (Medical Information).
- Mark Student Name, Parent Name, Phone Number, Cohort, and module selection as **required**.
- Add the **National ICT Hub photo** as an image block at the top of the form (download from: <https://evento.ug/venue/73606660/national-ict-hub-nakawa/>).
- For Q15 (module selection), add a **description** noting the multi-module discount: "UGX 500,000/module; UGX 450,000/module when selecting 2 or more."
- For Q14 (laptop), add a **description**: "If you do not have a laptop, Pearl AI Labs will provide a computer for use during the training sessions."
- Add a closing note before Submit: "Payment of UGX 500,000 per module confirms your child's spot. Discounted rate of UGX 450,000/module for 2+ modules. Contact: mulmetco@gmail.com / +256 788 868960."
